THE RIGHT TOOL FOR THE JOB

Unlike some competitive products, the Big Tex Roll-Off Dumps are equipped with a High-Duty Cycle Winch designed for longevity and multiple cycles each day.

HEAVY DUTY 10-GAUGE, 4' SIDES

Our Roll-Off dump bins are built tough with durable 10-gauge steel. Plus, our taller 4' side height helps keep loose materials off the road and in the bin where they belong.

SERVICE MULTIPLE JOBS WITH A SINGLE TRAILER

You can't be everywhere at once, but thanks to our innovative Roll-Off design, your dump bins can! Quickly and easily service multiple job sites by adding additional dump bins to your fleet anytime.
